

## Setting the Pace (Pine Hollow Book 15)

The Pine Hollow girls ring in the New Year with unexpected beginnings and endings. It's been an eventful year and the excitement is not winding down just because it's New Year's Eve. Carole never dreamed that falling in love could happen so fast but Cam is speeding things along, and Carole's doing her best to keep up. While Stevie helps a friend confront his past, Lisa has lots of decisions to make about her future. What will the New Year bring? And do the girls have the courage to face it?
