

Shadow Boxing: Art and Craft Creative Nonfiction

Unique in approach and content, this book presents specific definitions of the subgenres of creative nonfiction: memoir, the personal essay, literary journalism, nature writing, biography and history, and the nonfiction novel. Providing model readings to illustrate these definitions, this First Edition also offers practical writing exercises and strategies for readers to apply what they are learning in each subgenre. For professionals with a career or interest in writing, journalism, education, publishing, and/or media.
