

## Shaky Ground: Earthquakes (Turbulent Planet)

Find out inside: Who poisoned 21 people including her own children? Which famous emperor might have been poisoned by his own wallpaper? Which poison makes its victims turn blue? Why do people commit crimes? How do they do it and what are the consequences? Read this book and find out how a poisoners mind works. Discover which poisons are commonly found all around us and which can kill hundreds of people in a single dose.
