

Sharing Like Shakespeare: A Grateful Recovering Sock Puppet Play

Many A True Word Hath Been Spoken In Jest -William Shakespeare The reality is : most sock puppets today are addicted to drugs. These are the stories of socks seeking to be the exceptions rather than the rule. These socks dont want to be just another statistic. They want to stay clean. Our satire begins with one sock in particular, Romeo. Hes staying clean but living dirty. We open as he cries to himself in there mirror. Hes caught between being honest and saving face.
