

## Bittersweet (Love Edy Book Two)

In the aftermath of one tragic and uncertain night, Edy and Hassan shut out the chaos with a kiss. But when Hassan's traditionalist mother sees that kiss well, a nightmare of a different sort begins. After all, he still has an arranged marriage on the horizon. Love attacks the glue of their two bonded families; while the slow tug of success pulls Edy and Hassan in opposite directions. After denying their feelings for so long, they now have each other, but are forced to ask themselves if being together is worth it.
