

How to Cheat in Golf: Confessions of the Handicap Committee Chairman

How to Cheat in Golf Confessions of the Handicap Committee Chairman is a light-hearted treatment of a serious subject. In his discussion of cheating on and off the golf course, author (The Man on the Bench) h. Alton Jones identifies numerous techniques golfers use to game-the-system. In the past, exposing the sandbaggers hasnt been an easy task. Jones has developed and explains a number of techniques that can make it easier for golfers to identify and expose those who seem to win over and over again while defying the odds. Its a fast and easy read that will appeal to every golfer who has ever lost a nickel on the course. It makes a great gift for your golfing partner, the Handicap Committee Chairman or the District Attorney.
