

Slumber

From the New York Times and USA Today Bestselling author... *Slumber - A Romance* Molded by a tragic childhood, nineteen-year-old Rogan finds it extremely difficult to trust people. Now Haydyn, her best friend and the one person she does trust, is dying and only Rogan can save her.

Setting off on a journey to retrieve the plant that will cure Haydyn and subsequently the ills that will befall them all if she dies, Rogan is stuck in close quarters with a protector she distrusts above all others. Wolfe Stovia. The son of the man who destroyed Rogan's family. At a constant battle of wills with the handsome Captain of the Guard, Rogan just knows this adventure together will be fraught with tension. She never imagined, however, that the quest would be so dangerous not least of all when she finds herself falling for a man she could have sworn was her no.1 enemy (New Adult, Fantasy Romance: recommended for ages 17+ contains mature situations and some strong language) **REVIEWS** This was a totally epic adventure. I felt like I was on this amazing journey with the characters and when it was over I felt so sad having to say goodbye. I definitely wanted more. **Fiktshun Reviews** My favorite aspect of the book was the relationship between Rogan and Wolfe Romance aside this book was jam packed with adventure and action, from scary kidnappers/thieves to old and new found friends, and danger in every direction. **Remarkable Reads Reviews** *Slumber* is a definite must read for YA fantasy lovers and if you've never read fantasy before, but have been thinking about giving this genre a go, *Slumber* would be a great place to start. **The Slowest Bookworm Reviews** If I had to pick one word for *Slumber* it would be AMAZING . A great start to this brand new YA series. **YA Indie Princess Reviews** The writing is beautiful. The story is pure creativeness. The characters are a joy to follow through

the story. The heart-pumping moments are perfectly executed. And the romance is just the perfect fairy tale. This book was everything I could have hoped for, and I cannot wait to read more of Samanthas books Shortie Says Reviews The characters sold the show for me in Slumber. The world that the author created was unique and detailed, and I felt it enhanced the characterization and the love story. Basias Bookshelf Reviews
