

Cupcake Shop Gender Swap

That first push was incredible. I was so unbelievably wet that there was very little resistance, even though I was so tight. He gave a few short thrusts and soon his entire cock was wet with my juices and he pushed in deep. I let out a sharp moan when I felt him enter me fully for the first time. It was like nothing I'd ever known before. A chance trip into the new bakery leads a young man towards a wild transformation into Miranda - flirty girl who's in love with life. She might be apprehensive about her new life as a woman, but Miranda discovers many of the joys that can be had both in and out of the bedroom. With the aid of the helpful staff of the Indigo Bakery, Miranda finds a new life for herself, and even a new guy who she thinks is really hot! This story contains depictions of sexual acts as well as gender transformation, feminization, cream cheese frosting, lingerie shopping and a lot of self-discovery! All characters are at least 18 years of age, and this story is intended for mature audiences.
