Explicit Sexual Content! Super-powered operative Ian Crane has been snatched by Zoltana terrifying villain whos stalked him for years. Zoltan needs Ians power to fuel a diabolical machine. He also has a need for the beautiful heros body. The most frightening thing for Ian is he may actually want to give in to Zoltan. The evil figure fascinates him as much as he intimidates him. When Zoltan shows him that he has some noble aspirations Ian isnt sure what he feels. Then there are those memories: of Zoltan holding him tight, and gently stroking his hair.
