

## Bizet - Intermezzo & Farandole for Tuba or Bass Trombone & Piano

The Intermezzo & Farandole are both from the 2nd LArlesienne Suite arranged by Guiraud in 1879, four years after Bizets untimely death. The Intermezzo is slow and powerful, whereas the Farandole, which incorporates the theme from the March of the Kings is fast and bouncy. Mr. Sauers arrangement is a joy to perform. The 6-minute suite of two movements is appropriate for moderately advanced performers and does not have any range or endurance challenges.
