

From the Arabian Nights (Classic Reprint)

Excerpt from From the Arabian Nights This second volume of the Arabian Nights Entertainments, contains some old favourites, as well as a number of delightful stories new to most children. Among the old favourites are: Story of the Hunchback; Story of Prince Ahmed and the Fairy Periebanou; Story of the Princess Periezade and the Speaking Bird, the Singing Tree, and the Golden Water; Story of Prince Camaralzaman and the Princess Badoura. The new stories will doubtless prove equally fascinating, among them are: Story of Joudar, telling of Servant-Genii, subterranean treasure, and magic saddlebags that present their owner with any delicious food he may ask for; - Story of Mahomed Ah the Jeweller, or the False Caliph, the tale of a mysterious bark on the River Tigris, and of the Caliph Haroun Er Raschid and his Vizier Jaafar; - Story of Ali of Cairo, and his adventures with the Treasure-Genii; - Story of Abou Mahomed the Lazy, whose laziness was such that his mother fed him and serve Lira drink while he lay on his side, and whose good fortune came to him, in spite of a Marid-Ape, in the enchanted City of Brass; - Story of Abdallah of the Land and Abdallah of the Sea, a tale of precious sea-jewels and the wonders of the sea-cities. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical

works.
