

Essential World Atlas, 9th Edition

Essential World Atlas, 9th Edition provides an unbeatable visual reference to the world's continents, regions, and countries with more than 90 maps and detailed fact files on every nation. See many different views of the globe through a series of thematic maps detailing the political and physical world, time zones, the global economy, populations, languages, climates, and regional conflicts. Look up key statistics using data profiles, stay in the know with a glossary of geographic terms, and easily find the information you need with an index comprised of more than 20,000 entries. Now fully revised and updated to reflect recent geopolitical changes, Essential World Atlas, 9th Edition is a reference perfect for work, home, or school that truly lives up to its name.
