

Style: Toward Clarity and Grace (Chicago Guides to Writing, Editing, and Publishing)

This acclaimed book is a master teachers tested program for turning clumsy prose into clear, powerful, and effective writing. A logical, expert, easy-to-use plan for achieving excellence in expression, Style offers neither simplistic rules nor endless lists of dos and donts. Rather, Joseph Williams explains how to be concise, how to be focused, how to be organized. Filled with realistic examples of good, bad, and better writing, and step-by-step strategies for crafting a sentence or organizing a paragraph, Style does much more than teach mechanics: it helps anyone who must write clearly and persuasively transform even the roughest of drafts into a polished work of clarity, coherence, impact, and personality.
