

## Sunny: Diary Three (California Diaries Book 12)

Sunny knew this was coming, but she never prepared herself to say good-bye forever. Sunny's mom has stopped her cancer treatments, leaving the hospital to spend her final days at home. Sunny has been sleep deprived and kind of all over the place. She goes to school, but not to her classes. She talks to Dawn a little, but otherwise, her mind has been hijacked by thoughts of losing her mom. When a string of visitors comes through the door to say their good-byes, she finally realizes this is it. The end. Facing the pain allows Sunny to actually talk to her mom and learn a little more about her before she's gone. Sunny makes it her duty to start helping and becomes obsessed with listing everything she needs to say before her mom dies. Her mother knows there isn't enough time; there will never be enough time to say everything that needs to be said . . . but maybe there's something she can give her daughter that will help ease Sunny's pain. This ebook features an illustrated personal history of Ann M. Martin, including rare images from the author's collection.
