

# Taming the Tourists: How Cardiff Beat the All Blacks, Springboks and Wallabies

Launched to celebrate the 50th anniversary of Cardiff's momentous defeat of the All Blacks on 21 November 1953, Taming the Tourists tells the story of a glorious epic of matches against the rugby super-powers. Starting in 1888 with a game against the Maoris, followed by matches every three or four years against the All Blacks, Springboks and Wallabies.
