

## Tap Out (Orca Soundings)

When Darwins father went to prison for assault, his mom decided it was time to move him from his inner-city school to the elite Norfolk Academy. It was supposed to be a brand-new start for him. But old instincts die hard, and Dar is used to fighting for everything. Convinced by a new friend to take part in an illegal fight club, Dar starts competing in no-holds-barred matches between students. He quickly rises to become the best in the ring. When one match goes too far and a student is almost killed, Dar faces a choice. Everyone tells him hes a fighter, but he needs to decide for himself--who is he, and what is he fighting for?
