

## Teach Yourself VISUALLY Windows XP, Special Media Edition

An invaluable resource for visually oriented PC users who want to make the most of Windows XP's multimedia features. Jam-packed with information that provides the basics and beyond, this full-color tutorial offers clear, concise, jargon-free instructions using more than 500 color screen shots. The book presents full, focused coverage of the multimedia features of Windows XP, including the My Pictures digital image organizer; the My Music digital music organizer; Movie Maker; and Media Player 8, which plays video, DVD, and music.
