

Thirteen (The Winnie Years)

Winnie Perry is a teenager at last! And it's a really big deal. A ginormous deal, that, wouldn't you know it, brings ginormous problems along with it. Winnie's bff #1 is growing up too slowly, while her bff #2 is growing up too fast, leaving Winnie stuck in the middle. Winnie's boyfriend, Lars, is fabulous except when he's not. And as for Winnie's family, well, big changes are in the air! Beloved author Lauren Myracle returns with first kisses and near misses for everyone's favorite birthday girl.
