AT LAST A BOOK ON GAMBLING SYSTEMS THAT DELIVERS! Note: These are real systems that have worked for disciplined players. The key to winning is discipline. with 1 Click button. About the Author M. Mitch Freeland believes that quality and accurate information should never be expensive or out of reach for anybody willing to learn. Many so-called online experts charge high prices. This prevents ordinary people from getting the knowledge they need to succeed. Mitch offers solid strategies, tested and proven, with decades of experience. All of Mitch's books are designed in a no-nonsense, candid manner, absent of fluff and filler. He gets to the point. He started at 16 and made his first trip to Las Vegas at 17 as a gambler ready to break the bank. As it turned out, the bank was not broken, but his game was. Mitch realized he had to learn a lot more about playing winning craps and gambling. So, he studied and practiced incessantly until the time came when shooting and the knowledge of correct betting, recognizing winning streaks and taking full advantage of them turned into massive profits. After UCLA and during the next thirty years, Mitch gambled, played poker, and ran a number of businesses along with writing a few books.
