

So Shelly

Until now, high school junior, John Keats, has only tiptoed near the edges of the vortex that is schoolmate and literary prodigy, Gordon Byron. That is, until their mutual friend, Shelly, drowns in a sailing accident. After stealing Shelly's ashes from her wake at Trinity Catholic High School, the boys set a course for the small Lake Erie island where Shelly's body had washed ashore and to where she wished to be returned. It would be one last so Shelly romantic quest. At least that's what they think. As they navigate around the obstacles and resist temptations during their odyssey, Keats and Gordon glue together the shattered pieces of Shelly's and their own pasts while attempting to make sense of her tragic and premature end. From the Hardcover edition.

So Shelly brings classic lit characters to 21st Century - So Shelly has 726 ratings and 137 reviews. karen said: just because you can knit a sweater for a chicken, doesn't mean you because you can **New Fitness Class Timetable Starts - Thats So Shelly Fitness** Thats So Shelly Fitness, Castlebar. 6699 likes 129 talking about this.
