

Best Tent Camping: New York State: Your Car-Camping Guide to Scenic Beauty, the Sounds of Nature, and an Escape from Civilization

Wilderness abounds in New York State. From the Great Lakes to the Atlantic Ocean, from the Adirondack Mountains to the Catskills, from the St. Lawrence River to the Hudson, millions of acres of public lands are dotted with hundreds of campgrounds but you probably only have a precious amount of limited time. Where should you go? When should you go? That's what Best Tent Camping: New York State is for to help you make the wisest use of your time in the wilds of New York. Divided geographically into seven sections Long Island, Catskills/Hudson Valley, Central/Leatherstocking, Adirondacks, St. Lawrence River, Finger Lakes, and Western the book is a helpful reference for camping enthusiasts throughout the state. Historical tidbits, descriptions of wildlife and the occasional personal anecdote add flavor to the campground descriptions. Star ratings and maps make choosing the best place to pitch a tent a simple task. Making reservations online or blindly over the phone can put a camper miles from the restroom, stranded with no shade, or in the middle of a busy campground trail. Maps will help campers avoid those pitfalls, and wherever possible the author has even recommended specific campsites for maximum privacy, spaciousness, or beauty.
