

Bride of the Nile

Colours flashed, nausea came and went, her legs disappeared, her body dissolved. Her nose was pressed into the roughness of a denim jacket ...Later in the Cairo hotel, someone breaks into Rosanna's room - but instead of stealing anything, he leaves her a golden statuette of Horus the Hawk God ...Rosanna never expected her trip to Egypt to be like this. The tension between her and handsome, bitter Finbar hides a very different feeling; she's somehow become dangerously involved in the sinister Abu Samil's shady schemes; and her mind is flooded with strange visions of a long-dead Egyptian princess, desperately fighting off the Pharaoh's advances and willing to risk everything for the man she loves ...Gripping, suspense-filled, rich with exotic detail, *Bride of the Nile* is the thrilling, passionate story of a love and a hatred that cross the barriers of time and place.
