On 29 July 1981, millions across the world tuned in to watch one of the most televised events of the 20th century, the fairytale wedding of Charles, Prince of Wales and Lady Diana, which featured the inimitable splendour the British are famous for, and one of the most glamorous women of the 20th century. 30 years later, another royal wedding drew inevitable comparisons to the wedding of Diana and Charles. On 29 April 2011, it was the marriage of their first child, Prince William of Wales, second-in-line to the throne, that had hundreds of millions of people (and possibly over a billion) tuning in to watch. The royal wedding sparked renewed interest in the prince and Kate Middleton, his beautiful new wife. From his earliest years, Prince William has been a photographers dream come true, in the same way his mother had been. While he is not necessarily known for his mothers media savvy, he is well-liked by the media and he is able, consciously or incidentally, to capitalize on this advantage. At the same time, from polo to charities, William is thoroughly his father Charless son as a Windsor prince. Not only was William an attractive youngster with his mothers piercing blue eyes and blonde hair, attributes that he retained as he matured; Prince William also retained a touch that was both regal and common and modest. The combination has been regarded by reporter after reporter as dynamite, indicating it has had powerful effect on William being cemented as both a king and a man in the public firmament, and it is impressive for a 30 year old whose full title is His Royal Highness Prince William Arthur Philip Louis, Duke of Cambridge, Earl of Strathearn, Baron Carrickfergus, Royal Knight Companion of the Most
