

The Celtic Wisdom Tarot with Cards

An original tarot based on Celtic spiritual traditions. Written by the bestselling author of *The Celtic Book of Days*. Draws upon the ancient oracle traditions of the Celtic druids to create striking visual images. Major and minor arcana cards reflect the druids' belief in the immortal soul and the values that infused daily Celtic life. Honors ancient Celtic tradition in a way that will provide inspiration and direction for modern seekers. Divination was an honored art among the Celts, who believed that spirit was present in all things. Caitlín Matthews' *The Celtic Wisdom Tarot* draws upon the ancient oral traditions of the Celtic druids to create striking visual images that profoundly reflect the druids' deep-rooted belief in the interconnectedness of all things. Immortality of the soul was a tenet of druidic belief and the 22 cards of the major arcana follow the sacred triple spiral of the soul's path through many lifetimes. These cards mirror the mysterious thresholds of the Celtic otherworld where all life is subject to powerful transformations. The minor arcana, on the other hand, is redesigned to depict the rich spiritual values that infused the daily life of the Celts. Battle skills, art, and knowledge—the chief hubs of Celtic life—replace the standard pentacles, wands, cups, and swords. Together the wisdom cards of the major arcana and the folklore-based cards of the minor arcana create a meaningful fusion of deep spiritual truths and the lessons of daily life. *The Celtic Wisdom Tarot* provides a portable oracle to help clarify confusing situations and empower readers to take advantage of life's opportunities. It honors the ancient traditions of the Celtic peoples in such a way that their truths can still be a rich source of inspiration and direction for modern seekers.
