

The Best of Friends (The Circle of Friends Book 1)

Cast aside because of his best friends high maintenance girlfriend, 17-year-old Glen Sauten is at loose ends when the new doctors son, Charlie Thornton, moves in across the street. With his good looks, charisma, football skills, and money, Charlie soon becomes the most popular person in the small town. Only two people seem skeptical: Glens former best friend, Luke Trent, and the prettiest girl in town (and the pastors daughter), Nicole Grant. As Glen gets caught in the middle of Luke and Charlies rivalry, not to mention Charlies obsession to date Nicole, he opens himself up to major problemsome life-threatening, some life-changingin this unique series which blends humour, adventure, and romance with a search for the meaning of life. A fantastic series!... The authenticity of Glens (main character) journey is impressive. Herbie Kuhn, In-house Voice of the Toronto Raptors

But shes worried that Nicole might not be quite as immune to Charlie as she thinks she is. The story grabbed me from the first paragraph and would, I think, do the same for most teens and teens at heart. Fay S. Latka, ChristianWeek Glen is clearly a character readers can relate to. And hopefully, as we see value in him, well discover more value in ourselves. Janet Sketchley, author of Heavens Prey We really appreciate this book because it appeals to teenage boys as well as girls.
