

Complete Piano Player Latin

This new addition to the Complete Piano Player series adds a Latin flavour to the popular tutor method with 16 Latin-American and Brazilian favourites complete with chord symbols, fingering and lyrics. If you want to learn to play Tangos, Salsas and Bossa Novas, this is the place to start. Featuring many well-known and fun-to-play songs like La Bamba by Los Lobos and the classic La Cucaracha, this songbook takes the characteristic style and rhythms of Latin music and turns them into easy-to-play arrangements. The Complete Piano Player: Latin is based on the bestselling method by Kenneth Baker that continues to teach many people the basics of playing the Piano. The sheet music contained in this collection provides accurate transcriptions of songs such as Mambo No. 5, as well as helpful fingering and chord symbols that will be familiar to those who have used the Complete Piano Player series before. If you've worked through the tutorial method, or you are just looking to inject a fusion of exciting rhythm and spicy style into your Piano playing, our Complete Piano Player: Latin sheet music is the most comprehensive way to put such a varied selection of Latin classics at your fingertips.
