

The Concise St. Martins Guide to Writing

The new Concise St. Martins Guide provides streamlined coverage of the six most commonly assigned genres in first-year composition: remembering events, writing profiles, explaining concepts, arguing a position, proposing a solution, and justifying an evaluation. The Concise Guide leads students through the writing process: Guides to Reading equip students to analyze a genre's basic features, and Axelrod and Coopers' distinctive Guides to Writing help students apply their analysis of reading to the development of their own writing projects. With more hands-on activities for critical reading and working with sources, greater emphasis on the rhetorical situation, and a fresh new design to show students the strategies they need at a glance, the Concise Guide helps students accomplish their writing goals from start to finish. Our newest set of online materials, LaunchPad Solo, provides all the key tools and course-specific content that you need to teach your class. Get all our great course-specific materials in one fully customizable space online; then assign and mix our resources with yours. To package LaunchPad Solo free with The Concise St. Martins Guide to Writing, use ISBN 978-1-319-00686-0.
