

The Doctors Sweetheart

In this remarkable collection of fourteen previously uncollected stories, L.M. Montgomery weaves her unique brand of magic as she explores the private passions of the heart. A country doctor never loses faith in the young woman who swears to return to him; a beautiful maiden, in a fit of pique, recklessly pledges to marry the very first man who asks her; an estranged wife bets her future happiness on a horse race; two maiden ladies, scared onto a roof by a dog, ponder marriage to the dog's owner as the price of rescue. These are some of the unforgettable characters whose stories--of romance and friendship, reconciliation and abiding love--live again in an anthology L.M. Montgomery readers will treasure.
