

The Escape

Erin was tired of her unsteady home life and didn't fit in at school. She longed for adventure and something more to life than what she had been living. She didn't know that one day she would be faced with the choice to leave all of it behind and run away from home. It was something she thought of often, but it wasn't until a cute drifter named Zach offered to show her the world that she took the idea seriously. Will she take him up on the offer to see the world, or stay in her home life being miserable?
