

## Crossing the Deep

Sixteen year old Rachel Harker expects the church sponsored hiking trip in the Smoky Moun-tains to be short and painless. Four days later, injured and scared, Rachel prays to just make it home alive. Asher Jenkins, fellow hiker and handsome skeptic who is only on the hike so he doesnt have to go home and face his abusive uncle, finds Rachel in the woods and tries to get her back to Deep Creek Trail. A small hole hidden under the fall leaves causes her ankle to twist and forces Asher to leave her to get help. As night falls, he comes back, unable to find the right trail. As hours stretch into days, an unexpected rainstorm bears down the mountain, flooding Deep Creek and cutting off their way home. Rachel puts all of her faith in God to save them. Asher thinks believing in God is a waste of time and does what he can to prove to Rachel that He doesnt exist. With their food gone and the temperature dropping, time is running out. Will Rachel be able to do what needs to be done to get home? And can Asher find faith when he needs it the most?
