

## The Great Automatic Grammatizator and Other Stories (Puffin Teenage Books)

Is it really possible to invent a machine that does the job of a writer? What is it about a landlady's house that makes it so hard for her guests to leave? Does Sir Basil Turton value most his wife or one of his priceless sculptures? From the sensitivity of stories such as *Katrina* to the surprising creepiness of *Taste*, these stories are full of all the fun, excitement and wonder of Roald Dahl's writing, offering originality, ingenuity, horror, unexpected twists and turns, a touch of the macabre and much more besides.
