

## The Greenwood Tarot: Pre-Celtic Shamanism of the Mythic Forest

The Greenwood Tarot is a journey of exploration into the symbolism and legend of the mythic forest. Drawing its inspiration from pre-Celtic, Dark Age Arthurian and Green Man traditions, as well as from Robin Hood mythology. The Greenwood Tarot rediscovers and explores the wisdom that lies behind the Tarot and its links with the ancient Wheel of the Year. The vividly illustrated arcana brings to life the woodland archetypes that have become an integral part of European folklore.
