

The Houses: Their Signs and Planets, Vol. 2: The Principles and Practice of Astrology (The Llewellyn Syllabus for Home Study and College Curriculum)

The Principles and Practice of Astrology is a modern syllabus of Astrology easily read and learned, up-to-date, and fitted to the problems and challenges of modern life. This syllabus is designed to guide the beginner to professionalism, and to expand the practitioners knowledge to modern application. It serves the needs of students and practicing astrologers, and formalizes Astrology within modern times of psychological awareness and intensified individualism.
