

The Last Guardian of Sedelta: Book 1

Jake is happy with his life aboard the Edgeward Hub space station. That is until his father, a nefarious smuggler, sends him an urgent message. His father has stolen an artefact that will reveal a plot to unearth a super-weapon capable of destroying a planet or even a star, and Jake learns some shocking truths about his heritage too. Thrust into a conspiracy that threatens the galaxy, Jake must race to discover where this super- weapon is. All the while evading a potent and deadly enemy hell-bent on finding the ancient weapon. His first clue leads him to the planet Sedelta and a dormant volcano where, hidden inside is a shrine to an unbelievable creature. There, Jake begins his journey to find the Last Guardian of Sedelta and save the galaxy.
