## The Mandolin Chord ebook

**Lee Duffell**

The Mandolin chord ebook brings the chord book into the 21st century with a full search capability. This is not your usual scanned in version of a printed book. It has been custom written from the ground up. The result, as you would expect, is far superior to a pretend ebook. The chords are listed in order of common use to help a beginner use preferred shapes, and an expert find what they need quickly. The chords are provided in a summary sheet format, and individual chords that fill the whole screen for easy viewing.....just as it should be :)The book contains the following chords.Two finger Chords C D E F G A B Cm Dm Em Fm Gm Am Bm C7 D7 E7 F7 G7 A7 B7
