

The Missing Girl

This is the story of five sisters Beauty, Mim, Stevie, Fancy, and Autumn and the man who watches men. He could be any ordinary man . . . but he is not. Unaware of his scrutiny and his increasingly forbidden thoughts about them, the sisters go on with their ordinary lives planning, arguing, laughing, and crying as if nothing bad could ever breach the security of their family. In alternating points of view, Norma Fox Mazer manages to interweave the lives of predator and prey in this unforgettable psychological thriller.
