

The New Wider World: Foundation Edition (Foundation Editions Series)

This book follows the original editions chapter headings and case studies and allows for whole class mixed ability teaching. Reduction in text ensures easy access to fundamentals. Drawings have been enlarged for students use and more illustrations added for interest. Students can easily access the content as language level is carefully monitored. Foundation level questions allows for accurate exam preparation. Companion Teacher Resource is available for the Foundation Edition, helping teachers and students to get even more out of this new core text. Written in line with new literacy requirements, approach is especially suitable for students sitting the Foundation level tier.
