

Counted Cross Stitch Pattern: Pigeon Hawk Bird by John James Audubon - PROFESSIONALLY EDITED Image (Audubon Bird Series)

Pigeon Hawk bird by John James Audubon is now available as a counted cross stitch pattern. Audubon lived from 1785 to 1851 so many of the prints of his great paintings are sadly dull, streaked, lifeless and even stained. So our staff graphics designer spent many, many hours working on our designs, bringing them back to life with rich, vibrant colors. We can only post one picture with our Kindle book but we sell a collection of 111 Audubon birds and we have posted Before/After images there. See for yourself how beautiful his birds are now. [ASIN: B00P2ODR2C] NUMBER OF COLORS: 14 NUMBER OF STITCHES: 138 squares wide by 166 squares high. All patterns are for DMC floss. Enlarge Our Pattern You dont have to worry about size with our patterns! Its sometimes tough to see your pattern on a Kindle or tablet so we have made it possible to make your charts as LARGE as you wish - see our patterns on a 21 computer monitor and a 48 TV screen. No more squinting and straining at a tiny screen. 111 Audubon Cross Stitch Patterns Collection If you love these amazing birds like we do, you might be interested in our collection of 111 edited Audubon patterns. ASIN: B00P2ODR2C
