

Popularity Papers: Book Five: The Awesomely Awful Melodies of Lydia Goldblatt and Julie Graham-Chang (The Popularity Papers 5)

Fresh off their epic summer road trip, Lydia and Julie are back and ready to take seventh grade by storm. Well, Lydia is: She wants to start a band, and she's convinced Julie to join her. The Macrame Owls are joined by Roland (expert at the hardingfele) and Jane (expert at drama). None of them, unfortunately, are experts at rocking out. The band needs more practice, but instead Lydia and Julie find themselves riding an unexpected wave of popularity to their own belated birthday party. The girls may have accidentally stumbled upon the secret to popularity if only the secret weren't so completely humiliating. Hilarious, observant, and honest, this installment of the series has all of Amy Ignatow's signature charm, while bringing our beloved heroines to a new turning point in their lives. Praise for The Popularity Papers: Book Five Ignatow's illustrations (attributed to Julie), humorous comments, and the story's sticky situations make this a gregarious addition to the series. Booklist

Popularity Papers: Book Four: The Rocky Road Trip of Lydia The Awesomely Awful Melodies of Lydia Goldblatt and Julie Graham-Chang has 618 ratings and 40 reviews.
