

The Secret of Kage House (A Steampunk Story) (A Boston Metaphysical Society Story)

In an alternate Boston of the 1800s, social classes are rigidly enforced and the paranormal is part of everyday life, especially if you're Irish. Inheriting her father's gift to see and talk to ghosts, Caitlin O'Sullivan sees no harm in having a little fun with her abilities every once in a while. But when faced with either obeying her father's rules or helping a young boy, she must make a decision that will change her fate forever. Based on the popular steampunk comic, Boston Metaphysical Society.
