

## The Sentinels: Stone of Tymora, Book III

The lightning-paced conclusion to the Stone of Tymora trilogy by best-selling author R.A. Salvatore and his son...After dueling with a dragon and a demon, Maimun knows he must destroy the stone that has kept him on the run for most of his life. The question now is how. With Joen by his side, Maimun journeys to the Tower of Twilight to beg famed wizard Malchor Harpell for answers. But Harpell's help comes at a steep price. Friends become enemies. Lost secrets come to light. And deep in the shadows, the sentinels are watching, scheming to save the stone--even if it means someone must die. Featuring the sage words and signature swordwork of R.A. Salvatore's best-selling character Drizzt DoUrden, this final book of the Stone of Tymora trilogy is packed with action, magic, intrigue, and a heart-stopping twist that Salvatore fans won't want to miss.
