

## The Girl in the Time Machine

A desperate girl A faulty time machine A paradox waiting to happen ... Seventeen year old Laken may want to get revenge on the girls who have bullied her, but she also wants to help them. Honest. Secretly using the time machine in her fathers science lab, she sends them one by one into the last century. Poof, problems solved. Except theyre not. Now the disappearances are being linked to unmarked graves. Parents are lying about their missing kids whereabouts. The police want to search the lab. And Laken is running out of time to retrieve the last girl she sent to 1994.
