

The Unicorn 1 (Her Night At A Swinger Club, Bisexual Menage Romance): No Strings Attached (The Unicorn Swinging and Single)

What really goes on in a Swingers Nightclub? Ericas girlfriends want to meet the right guy, settle down and raise families. Reasonable goals for women in their late 20s. But not for Erica. Shes a rising star in her engineering firm, due for a major promotion. Shes spent her life since graduation living and working around the world and loves her life. A Saturday night dare leads the three women to visit The G-Spot, an elegant swingers club. Theyll go in, have a drink, have a giggle watching the action, and leave. At the last minute, Ericas wannabe housewives friends chicken out, leaving her alone at the entrance. Erica enters the club and learns most of her assumptions about swingers were wrong. In a good way. In a very, very VERY good way! For Adults Only - Contains explicit erotic scenes between the characters.
