

The Wielder of the Sengans: Including the Tomes of Ithren

Stories of the Upper Kingdom have never been told, but in the Beginning when the songs of Eloheim were still in the earth, he set a Watcher, Haran, in place. Haran repelled the dark matter lurking constantly in the earth, a dark matter hungering always for the light of Gods created world. Eventually it would find its way to the surface through IllfAyen, one of the lords of the ruling House of Ildiss. It corrupted IllfAyen who was defeated in his attack upon the Lower Kingdom, and bound beneath the forest of Brooding GrAnje. There he lay for a millenia, until the child EliA?h unwittingly wakens him. With the help of the Jhuul Daas, EliA?h faces IllfAyen and the battle comes to a head. With the Sword of Fire, and Harans Sengans, EliA?h makes her final stand against the dark lord of old.
