

The Wolf and Me (The Seven Sequels)

Bunny is in trouble. Hes been kidnapped from the skating rink at City Hall in Toronto, and now hes locked in a cold basement room, still in his parka and skates. Where is he? And why do his kidnapers keep asking questions about his dead grandpa and some weird national anthem? Bunny may not always know whats going on, but he has an innocents ability to get to the heart of things and find out what its all about. When he manages to escape, he skates across hockey rinks and down frozen highways, always a few strides ahead of his kidnapers. He gets help along the way from an assortment of characters some kindly, some crazy, some scary and at least one that will make your jaw drop. The Wolf and Me is the sequel to both Weerdest Day Ever!, part of The Seven Prequels and Ink Me, part of Seven (The Series).
