

## Time for Kids Picture Puzzles

Time For Kids has taken the phrase what's wrong with this picture? to a whole new level. A spin-off of the best-selling, totally addictive Life Picture Puzzle book series, each spread in the Time For Kids Picture Puzzles features 2 versions of a fetching photo. For each pair of pictures, the puzzler must find the differences from one photo to the next. Did a zebra lose its stripes? Maybe a car changed directions (or got a new license plate or a paint job)? With more than seventy puzzles inside, each boasting anywhere from six to fifteen changes, Time For Kids Picture Puzzles is sure to captivate kids for hours.
