

Raw Food Diet: Detox Diet: Planted Based Diet & Detox Cleanse Diet to Increase Energy & Natural Weight Loss

Know What You Can Get Out of the Raw Food Diet Today! You're about to discover... what raw food diet is all about and why you should join the bandwagon. This book is a comprehensive, well-researched guide that provides information for those who are about to take on or are currently moving toward a raw food diet. It also lists down a handful of delicious recipes that you may enjoy while staying true to the diet. The Raw Food Diet revolves around the central tenet that by cooking foods and thus exposing it to heat at a high level, the meal will lose much of its nutritional value. This is due to the fact that enzymes in the food, discovered to aid in the digestion of food as well as maintaining a healthy immune system, can be destroyed by the heat.
