Service With a Smile Paul and Matt two young prison inmates serving an eighteen month term for a drug offense spend their days in the company of some veteran prisoners who were hardcore criminals. Being young they are reluctantly forced to submit themselves to the erotic pleasures of the veterans. Of the veterans two of them stood out very prominently, they were Clint better known as Cool Mint and the other was Butch, also known as Cassidy. Apart from them the two young inmates are also victimized and sodomized by others too and on certain instances the young ones too seemed to enjoy the thrill, after all they too were human and they missed the sexual freedom they had enjoyed out side the four walls of the prison.

Butt Ravage A sexy girlish looking Billy Boy is brought to the prison and Samuel the veteran inmate is given the option to have this guy as his cell mate. The new guy, Silva is the talk of the prison. Everybody keeps eyeing him, from the guards to the warden but because of the tough reputation of Samuel they all lay off the new guy. It so happens that Luke, one of the prison guards, too, has a keen interest on Silva. He gets his opportunity to drag Silva away from Samuel as Samuel gets involved in a likely brawl. Luke takes Silva away to a dark laundry room and has an erotic sex session with Silva which Silva too enjoys as he has never before experienced before in the prison, not even with Samuel.

Youthful Sucker Leo Best, the youthful nineteen year old, from his young age had a leaning towards gay sex. In his venture for more sexual thrill, he trots onto a forbidden domain. He drives a long distance from his home and engages in a homosexual act with an old man who happened to be a prison guard.
