

Not Too Tall to Love

Huldah aims to conquer the challenging three-day hike. Derek and Corey plan to conquer Huldah. Derek is tall, dark, and dominating. Golden-blond Corey is warm and caring and can turn a campfire meal into a feast. Huldah just wants to prove to herself she can navigate and hike the trail. But the two men are awfully yummy. And distracting. Besides, sex outdoors is very good, especially with two men at once. Between them, the two men bring Huldah's passions to the boil and the three enjoy the hottest, most innovative sex ever. What will happen when they reach the end of the trail?
