

Top Secret Restaurant Recipes: Creating Kitchen Clones from Americas Favorite Restaurant Chains

In 1996, Americans spent over \$100 billion gobbling up meals at full-service American restaurant chains, inspiring Todd Wilbur to change his focus from cracking the recipes for convenience store foods to cloning the popular dishes served at these sit-down stand-bys. Wilbur's knock-offs, absolutely indiscernible from the originals, are selected from national and regional chains, many drawn from a list of the top ten full-service restaurant chains, including Houlihan's, Red Lobster, and Pizza Hut. Also included in this savory cookbook is a special section devoted to dishes from hot theme restaurants such as Hard Rock Cafe, Planet Hollywood, and Dive! Recipes include: Applebee's Quesadillas; Denny's Moons Over My Hammy; Bennigan's Cookie Mountain Sundae; The Olive Garden Toscana Soup; The Cheesecake Factory Bruschetta; T.G.I.Fridays Nine-Layer Dip; Pizza Hut Original Stuffed Crust Pizza; Chi-Chi's Nachos Grande, and many more!
